

The Dinosaur Song

They used to walk
They used to swim
They used to fly with a toothy grin
Some ate plants
Some ate meat
Some walked around on just two feet

**Oh the dinosaurs, big as trees
The dinosaurs, brains like peas
Jaws, and claws and teeth and bones
That used to growl and groan and moan.
Roarrrrrr!**

Some had feathers, some had scales
Spikes and clubs and whip-like tails
They fought like dragons, they earth sure shook
The volcanoes sizzled and the lava cooked

**Oh the dinosaurs,
Big as trees, the dinosaurs, brains like peas
Jaws, and claws and teeth and bones
That used to growl and groan and moan.
X2**

ROARRRRRR!
