

Dear Year 4,

Thank you for joining in with this song - I think it's going to be fantastic!

Please would you make a recording as a singer AND a player. So this means separate videos. If you would like to record the whole school songs too, that'd be great.

Most of you will know the rhythms below from the online sessions. Choose a pattern below and make a recording of you playing that pattern throughout the song.

Then make a recording of you singing the chorus.

Samba Rhythms

Surdo Drum

This is a low sounding instrument. If you have a deep sounding drum or bucket, this would be ideal.

1st Surdo: Play on beats **2 and 4**

2ns Surdo: Play on beats **1 and 3**

Tamborim

This is a higher sounding drum. This part might suit a small ice cream tub or tapping an empty yoghurt pot.

Play: ***"Fish and chips, sausage and chips"***
