WEEKLY NEWSLETTER

7th September 2018

A very warm welcome to a new academic year. The school has been abuzz with the sound of children getting to know their new teachers and routines. There has also been a great deal of excitement as each year group starts to explore this term's new topic.

To make sure that these topics mean something to **all** of our children, we ensure that each class goes on an educational visit. You will see from the table here that the next couple of weeks are jam-packed with these visits. We have found that these experiences have the biggest impact if they take place early in the term. Inevitably this means families have less time to pay for visits before they happen.

Can we please ask you to make the suggested contribution - via ParentPay - at your earliest convenience. If you are having any difficulty with these payments, please do not hesitate to contact the office.

Secondary School Transfer

This year, Lewisham have produced a booklet to help aid the process of choosing a Secondary school. Copies have gone home to all Year 6 children today.

If you would like to discuss this further, Miss Boxall will be happy to do so. Please contact the office for an appointment.

Clubs

All clubs will start in a week's time (w/b; 17.09.18.) You should have received notification of any places that your child has in the clubs at the end of last term. Could we please ask that any outstanding monies are paid, via ParentPay, asap.

There are still a few places available in some clubs, please contact Margaret Moon in the office for further information.

Welcome Back! We hope all our families had great summers and all our children are ready to get stuck in for an exciting term of learning.

School Dinners - Parent Pay

Thank you to all the parents who have brought their school meals accounts up to date. This is just a reminder that school meals should be paid for **in advance**, not in arrears. Please check your account every weekend and top it up so that you don't fall behind in your payments, otherwise we may have to stop your children from having a school meal, which we really don't want to have to do.
