WEEKLY NEWSLETTER

29th September 2017

Getting out and about...

Although we know how vital English and Maths are, we are also very clear about the importance of getting children out of the classroom and into the local community. This week alone, we have had the following Educational Visits:

Reception— left no stone unturned on their visit to Hatcham Gardens.

Year 1—explored the environment of Besson Street.

Year 3—dangled over the River Thames on the Emirates Cable Car.

Year 5—ignited their thirst(!) for knowledge of river ways at the Creekside Educational Centre.

Year 6—expanded their understanding of the sophistication of the ancient Egyptian and Greek civilisations at the British Museum.

A special thanks to all the parents, carers and staff who support these educational visits and enable our children to take part and extend their learning opportunities.
