$$\begin{array}{l} 3 \boxed{3+7} = 40 \\ / \end{array}$$

$$30 + 10 = 40$$

$$\begin{array}{l} 7 \boxed{2+8} = 79 \\ / \end{array}$$

$$70 + 10 = 80$$

$$\begin{array}{l} 6 \boxed{5+5} = 70 \\ / \end{array}$$

$$60 + 10 = 70$$

$$\begin{array}{l} 1 \boxed{4+6} = 0 \\ / \end{array}$$

$$10 + 10 = 20$$

$$\begin{array}{l} 2 \boxed{2+8} = 30 \\ / \end{array}$$

$$20 + 10 = 30$$

$$\begin{array}{l} 9 \boxed{8+2} = 100 \\ / \end{array}$$

$$90 + 10 = 100$$

Autumn is here,
 leaves & sunlight & cascade and crush one stream stream
 A few energetic youngsters are secretly playing in
the leaves.
 A ~~short~~ chorus of leaves snap - rattle - pop

~~Autumn is here~~ Autumn is here
~~Autumn is here~~ ~~Autumn is here~~
 A LED lights of dew stringing across
 the tree to top
 A few glorious small whites are basking
 in their stars.

Autumn is here

Her face smiles with the success of her talents.

Her arms rock the trees to their winter sleep.

Her smile blooms with joy.
