Year 3

Colette Fu

Then she started making them bigger and BIGGER and BIGGER!!!

Colette Fu was born in the america. When she was young she didn't like her chinese heritage

Age: 57, Born: 1969, Place of birth: America USA

Her mom, dad, grandma, grandpa, Great Grandma Great Grandpa is from china her mom was born in Yunnan, China. When she was older she traveled back to Yunnan china.

Her parents were from Yunnan like I said. So she was allowed to learn the brilliant Yunnan Chinese culture. She learned about photography and pop-up books. Then she started to make them a step higher.

By... actully taking photos of people and showing stuff about their lives. with people from the community, We with people learn the culture.
