Edmund Waller Primary School

Follow the hands to far-flung places!

Edmund Waller WEEKLY NEWSLETTER

Edmund Waller Primary School

31st March 2023

Money Spent
£9403

End of the Term/Year

As we come to the end of the Spring term, the office staff are beavering away ensuring we are ready for the end of the financial year. As all of us are only too aware, times are tight. This situation is also felt keenly in all schools, including Edmund Waller. Mr Hudson, our school business manager is a master of keeping our budget under control. However, even his eagle eyes can't magic up money from thin air! As a school, we are constantly looking at ways of saving money without compromising the experience for the children. One area that is currently worryingly in the red is the income vs expenditure for educational visits. Educational visits are currently running at nearly a 33% loss (nearly £2500 down against expenditure). Whilst these would be easy to put a stop to, we feel they are crucial in offering all of our children wider experiences - experiences that have never been so important as we collectively recover from the effects of the pandemic.

To the left of this text, you will see the return of Mr Absolom's 'Educational-Visits-O-Meter'™. Here you can see, at a glance, the school is running at a considerable loss with regards to expenditure on visits. A gentle (and timely) reminder that we ask parents to contribute £10 per term towards visits. This payment can be made by all parents via ParentPay...NOW! [ParentPay item = Educational Visits and Visitors 2022 -2023] If you have not paid this term, next term of even....ahem... this year, then please take a moment to top up your child's account and in turn protect these experiences for all children in the school. Thanks.

Year 5's Greek's Got Talent Assembly

Climate Champions

Our illustrious Climate Champions, under the expert guidance of Ms Lepere, are on a bit of a roll at the moment. They are truly making an impact beyond the school gates and showing that they can have real, meaningful impact by working as a team. Fresh from their pedestrian crossing success, they took to the wildlife garden to plant some new saplings to support wildlife and reduce the CO2 levels in the school. Dan Hudson helped them to plant the trees and praised them for their patience and good behaviour! Well done, Champions!

Enrichment Clubs

Thank you for your prompt payments for enrichment clubs and for your engagement with our new application system! All places are now confirmed and clubs resume in the summer term from the week beginning **Monday, 24th April**.

EWrap Bookings Open Now!

For those in the community who use our wonderful EWrap services, you will now find sessions available for the rest of the academic year. If you have never used us yet, why not give us a go. Breakfast club will now open at **7:45am**, which we hope will be popular with working families. Contact ewrap@edmundwaller.lewisham.sch.uk for further information.

Year Group Assembly	Date
Year 3	28th April
Year 2	5th May
Year 1	12th May
Reception	19th May

Science Poster Winners

Thanks very much to all of the families and children who entered the Science Week poster competition. We had some cracking entries. Below you can see the two school winners - Shaia (Y2) and Aaron (Y5) who both interpreted the theme of 'connections' in very different, but equally engaging, ways. They will both be receiving a little science based treat as recognition for their effort. We have also entered these posters plus three more entries into national British Science Week competition.
