Primary School**

19th May 2023

The Empire Strikes Back?

We have spent the last three years reviewing, reconsidering and revamping our curriculum. Last week we wrote about the development of subject specific teaching and the way that the curriculum is underpinned by three key drivers - London & Beyond, Social Justice and Sustainable Future. These three drivers are threaded throughout the entire curriculum - we feel that these are essential to the development of our learners to support them in becoming healthy, productive and well-balanced

members of a modern society.

These three drivers are then divided across eight themes that are interwoven throughout the entire curriculum and visited (and revisited) by the children during their learning.

And so, after this week, there are eight newsletters left until the summer holiday: eight weeks and eight themes... You can see where this is going...

That's right, each week we will pick a theme and explain in more detail what this looks like in practice & in terms of the impact on the children's learning. The themes have not been plucked from the air, they are the product of a lot of work and, we feel, represent key concepts and ideas that add an extra dimension to the way we teach the curriculum. Viewing the Victorians through a lens of Empire or Trade are all fascinating ways of making topics relevant and allow us to frame and facilitate important conversations around the positive - and the challenging - aspects of the legacy (there's another one!) of a given time period. Where possible we will share examples of children's learning and pupil voice, the children's understanding in their own words. I can feel the excitement building in the community already.

Next week, EMPIRE!

We NEED you!

You will have received a letter this week regarding a vacancy for a parent governor within our Governing Body. All parents and guardians of children at the school are eligible to stand as candidates, this can be a hugely rewarding experience that not only provides an invaluable insight into the decision making process behind a thriving modern primary school, but is also essential to ensure the correct checks and balances are in place for the school's effective running. Register your interest here [School Governor Nomination](#) - Deadline **12pm Weds 24th June**.

Girls' Football

Our fabulous Girls United football team have been on a bit of roll recently. Last weekend, they qualified for the final of the Championship Cup. This will be played on Blackheath Common, 10th June. On Wednesday, Ms Poole & Lee from Girls United accompanied them to the O2 to take part in the TOCA Social. They had a great time and behaved impeccably.

Half Term Heroes

We are gearing up for a jam-packed half term playscheme. As well as a visit to the recently revamped Lewisham Lanes for bowling & pizza, we are excited to be making a link with the Secret Adventurers Club for a morning session exploring our Nature Zone. Remember you can book in for a single day and the price of all activities is included in the daily fee. Booking closes at noon on 23rd May.

Summer Lovin' / Lovin' Summer

As we near the halfway point of the final term of this academic year, we have some exciting news regarding the new format and venue for the Edmund Waller Summer Concert. Having reviewed the costs and benefits of last year's Troxy concert, we have concluded that the opportunity to perform is crucial but that the costs incurred cannot be sustained. With this in mind we are delighted to announce that there will be a concert for Y2 - Y6 @ Goldsmiths University in the evening of **11th July**.

INSET reminder

A gentle reminder that school breaks up for half term next Thursday 25th May. We will be **closed** on **Friday 26th May** for an INSET day. We reopen 5th June 2023.
