DATES FOR YOUR DIARY

Dear Diary,

We are back in full swing - it's official. No more 'new normal', no more hand-wringing about whether or not to have events on site or create a virtual alternative. We are now as normal as we have ever been! As such, we are very happy to be reviving the calendar/dates section on the newsletter. We know that in the past, this has been a practical way of the community keeping an eye on key dates. However, in the

midst of the pandemic, with little to look forward to, the dates section fell by the wayside. But - it's back! Clear your diary for a whirlwind of dates and an avalanche of social events! Not only have we got the whole school summer celebration on the horizon but there are discos, summer fairs, term dates, opera premieres and all manner of excitement ahead. Whilst not every one of us will be able to make every one of these events, let us take a moment to be grateful that we can once again come together in person and celebrate, cherish and nurture all that goes to make our school community so special.

Raising Boards, Raising Cash

This year's Summer Fair is being sponsored again by Pedder Estate Agents. Please contact Tess by Friday 20th May (Tessadevonshire@icloud.com or **07812065242**) if you are happy to have a board up outside your house. The board will go up 2 weeks before the fair (Saturday 18 June) and remain up for approx 1 week after. Please ensure if you're not an owner you have prior approval from your landlord. We have **no limit** on board numbers this year, so feel free to share to local WhatsApp groups/neighbours too.

And the Problem is...

A group of our finest budding mathematicians headed off with Mr Hill to pit their wits against some of the children in Year 7 at Deptford Green secondary school. They took part in a range of problem solving and logic challenges. The children did really well, holding their own against children two academic years ahead of them. Their behaviour was also impeccable. Well done!
