Edmund Waller WEEKLY NEWSLETTER

Edmund Waller
Primary School

22nd April 2022

Spring is in the Air...

Good afternoon and welcome back to the start of the final term of this academic year.

The school site is bursting into life. We are very lucky here at Edmund Waller to have such an amazing premises team. Mr Slack and Mr Hudson, work constantly to keep the site safe, secure and looking fantastic. A special mention to Mr Hudson, who plays a crucial role in keeping the flowerbeds and numerous garden spaces around the school in such exceptional condition. The fact that so many adults comment positively on the appearance of the school - on a daily basis - is a testament to his hard work. Of course, a well kept site is not just about the aesthetics.

- children (and adults) will learn to take pride in their surroundings and contribute to its upkeep. The link between the physical environment and all of our well-being is also well documented. We are in the process of further developing the outside spaces to extend our outdoor learning provision. We just wanted to share some pictures of the flowerbeds in all their glory - thanks, Mr Hudson.

Breakfast/After School Club - Last Orders

You should have received an email with a link to a form for you to register an expression of interest in using the wraparound care either before or after school. We have been inundated with requests and we are working feverishly to expand the capacity and to try and meet the demand. The form is available via [this link](#) - we will be closing the form at 9am Wednesday 27th April 2022.

Beneath our Streets...

Lurk all kinds of fascinating signposts to what kind of London came before. One of the lesser known sights is the Roman Amphitheatre, which lies 6 metres beneath the Guildhall Museum of Art in London. Year 5 were really impressed by the gallery and the exhibits during their educational visit this week.

Same Staff, New Gallery!

At the end of last year, we asked the children to draw portraits of staff for our foyer. A huge thank you to the staff - Ms Winter, Ms Scholl and that very versatile Mr Hudson (again) - who came in over Easter holidays to redesign and repurpose our main reception entrance. You will be able to see the staff in all their child rendered glory by visiting the school website next week.
