Year 2

One sunny afternoon there lived a young girl called Shen. She was an adventurous little clever brain she always had the best ideas. She was playing with her toys when her mum shouted from the kitchen, "Go and collect some juicy coal from the lake near by it not very far away." So she did. As she strolled down to the lake she saw lots of friends she said hello to every one she met on the way. When she was very close she picked up a stick she thought it look like a good one she decided to bring it down with her. When she finally got there she saw the sand the marlets gorges sand and how it sparkled in the sun. Shen thought just a little bit off drawing wouldnt hurt, so she started to doodle love hearts and trace little funny animals like girny pigs and bunnys. As she was forming those shapes her mum was thinking about something else. At the house her mum was making thing like "hurry up Shen" or like "It nilly dinner!" Meen will Shen was having great fun secking and tracing funny and silly pickters, she had forgotten everything her mum had said and she had forget it was nilly dinner. That was when Shens mum went to the tap wich was just by the widow and saw Shen drawin in the sand.

Year 3

The wolf's grandma had a desire for all kinds of cake. She spent her time eating all types of cake she even ~~dreamt~~ dreamt about sleeping with cake. She wanted a creamy chocolate cake because of the rich sticky toffee, the crunchy chocolate chunks and the creamy chocolate icing. The wolf gathered all his ingredients but halfway through making it he realised that he didn't have any sugar.

Year 3

10.1.23

The wolf's grandma had a preference for cakes. She spent her days dreaming of a chocolate cake and surrendering to her desire for strawberry with sprinkles on top of the cake. Her favourites were plates of the sticky chocolate toffee chunks and the sticky sweet sauce and marshmallow on top. The wolf could not deny her one and only birthday wish. The wolf started to wash his hands and tie his cuffs around and he got off sugar and he started to run out side to get some sugar.

thought ~~thought~~ ~~thought~~ ~~thought~~

The wolf's grandma had an addiction to cakes. She had a urge to eat gluggy strawberry cupcakes, a fondness for red velvet cakes and a desire for chocolate ^{glaze} cakes. She longed for a plate full of moist vanilla sponge sprinkled with dusty icing sugar, soft creamy marshmallows and toffee chunks. The wolf could not refuse his kind grandma's only birthday wish. As the wolf collected each ingredient and tied up his apron, he noticed (to his dismay) he had run out of sugar.
