Charlie glew and glew Since he was so desprate to tell mum and dad and grandpa joe and grandma jorjina what hade happened and what he hade one. Sprinting though the snow he almost knocked a couple of people over "Sorry" he shouted. He barged through the door and the house almost gell down he saw granma gorgina knitting and grandpa Joe sipping a bout of cold cabbge soup the 4 old unnkly grand parents.

where did nay people line 10.01.2024 may a cities and dialy lives The mayon how's were oblong Sharped and have three room's inside one for cacking and sining and bedroom! What were the Maya houses made from? The mayor house's were made from - Mary . The clary was from und and sand . - oticke's - from thee's and roods - wood - from big tog's and stump - hay pants-from the area around the The posses was marke the w allis out of stick's and cover them which alay (nalls) plant's (roof when they were yoursed for to long the etay would on mber and Some time they would have a to mini burn for heris What did the Maya build and why are they the mayan's built temples as well us important? houses. They are Emportant because they would do Surarises and Noreship there. The archaeologists mayon temples had 91 Stup's on each 4 paints pyramids and temples sacrifices calculating 365 (about) step's. They do this terrace farming because that they slash and burn there your (that many project) amount a of day's in The most comon Achient materns. What did the Maya people eat? diet was mad up of maize, squath, bean's, chillie and coopean's May also a peer, avacardo, 10/2 tersand Shokingly quing pig's! the also act alot of regdibal's and neat . The hund down winnats around there area Food was produced by hunting, get ha-Where did the Maya people get their food sing and farming called ten from? this is were you farm and on a 3 main farming nethod's terase per ning, raise field's and Jack and burn. Most of these were amaging at prelincing cogets. The water near the crop's would help the crop's grow when the rain has follow

And the royal coach come striding - striding - retriding. The royal coach \* come striding down the exhausted road. They came with a jewelled or shimmer, the coach it was a shimmer, their clothing was a summer, inder the lengenous sky. Then over the colethes, they stopped wand it systered, bineath the dozzling stars, And the royal coach cance striding - striding - striding. The royal coach came striding down we expanded road.
