2/24 Matthew Henson

7.3.24

Matthew Henson was a sailor on a ship.

Robert Peary taught Matthew skills on the ship.

Matthew and Robert reached the North Pole in the Arctic.

Matthew got a medal in 1944.

I think it was fair/unfair that Matthew didn't get a medal because because he got there first.

disappointed

But I found out his little secret.  
He's terrified of spiders even tho  
he was mighty as a mouse. <sup>the</sup> spider  
- <sup>it</sup> was moving in next door. <sup>it</sup> <sup>was</sup>  
doubt-hearted because had no sugar. (The  
spider was called George.)

Halfway home, they stopped on an island to collect ~~scattered~~ supplies. ~~the~~ Ariadne was brushing her hair and day dreaming while the others washed ~~the~~ clothes and swam in the sea. It was a wonderful day the sun was beaming beautifully on the ocean. Ariadne was distracted "Now is my chance to ditch her what shall I do" he started planning his plan this is it, he would wake up in the night he would and tell the others then sneak out of the island and on the ship. In the night he woke up and told the others they tiptoed silently and out they went sailing. Whilst that Ariadne woke up and ~~realised~~ that no body was there she felt curious.

## Year 3

Ariadne gave Theseus a ball of string and told him to unravel it as he walked through the maze, so he could use it as a path back to safety.

Ariadne From deep within the maze Ariadne could hear the roars as they fought savagely and she heard the screams, swords and shouts and she prayed for the return of her father and lover. and her ~~name~~ slash! Pow! Bang! Theseus defeated the minotaur and ~~it~~ killed ~~it~~ Theseus who was slashed but bloodstains stained wanted to celebrate.
