Edmund Waller WEEKLY NEWSLETTER

2nd September 2022

Welcome Back to your Brand New Biome!

We thought we would seize the opportunity to welcome all of our learners and their families back to school. We hope that you and your family managed to get some rest and relaxation over the last 6 weeks. Whatever you have been up to, we are sure that the children are raring to go and the parents/carers more than happy to see them through the school gate on Monday morning (hopefully @8:50am...see below!) The children will spend their first week back, familiarising themselves with the school rules, systems and, of course, getting to know their new teacher. All children will be working on discovering more about their classes new biome. Across the school, children will be trekking through the tundra, walking through the woodland and finding out that the jungle is massive!

The work created during this week will be on display for parents and carers to view when we open the school for Meet the Teacher sessions. These will be held during w.b.19th September - *timetable to follow*. We, as a leadership team, would like to wish everyone the best for what is sure to be an exciting year ahead and thank in advance for your support (and challenge) as we strive to further improve the offer we make to our community.

Getting' Set for the Day

We wanted to let parents and carers (and learners) know that our morning maths sessions will start @9am sharp. As such, we encourage as many of you as possible to get to school for 8:50am, when the gates open. This will allow you to get settled and ready for day. The three gates will all be opened at this time - who can get to their desk first?

Bottles & Books

Now that 'Covid restrictions' are, we hope, a thing of the past, we have reviewed what we want **every child** to bring to school **every day**. From Monday 5th September, we expect every child to have a water bottle and a bag that they can fit books, work, water bottles etc in. We are in the process of refreshing the school's own Book Bags to reflect the recent change in logo, these new bags will be available soon. In the meantime, we want to see 400+ bags coming through - and leaving - the school, each day.

Go EW Go - The Big Half!

As you and your families go into battle for the return to school this Sunday, a committed and valiant crew of community members - both staff and parents - will be getting ready to take on a challenge of an altogether different nature - The Big Half. This half marathon, which takes in the key London landmarks, represents a considerable challenge for the individuals involved as well as a significant fundraising opportunity for the school - click on the image to visit our JustGiving page.

Breakfast Anyone?

Thanks to all of the families who have booked places in the breakfast/after-school clubs for this coming half term. We just wanted to signpost users to the fact that there is capacity at the breakfast club, should anyone need an early start. Childcare and breakfast - all for the ridiculously cheap price of £4. Email ewrap@edmundwaller.lewisham.sch.uk for further info.
