Dear Marvellous Miss Lepere,

I apologise for not caring about the things in the trug. I was so shocked to receive your letter ~~Friday~~ morning. because the frisbees are lost because they get stuck in trees. the balls are lost because they go over the fence. things get tangled because they are so close together. ~~and~~ and the rest gets ~~to~~ lost because year six are taking our ~~stuff~~ equipment.

We ~~are~~ are going to raise money by running a cake sale and doing a sponsored run. As well as this we will set up trug monitors that will every play end or playtime check that everything is in the trug. Haven't you ever made a mistake? Wouldn't you prefer to watch us have fun than watch us doing nothing like a fourteen year old? Finally I want to say that we love our trug and we do not want it to go away. P.S. please do not take it away.

We promise to take better care of the trug.  
 from your tidy and apologetic student,

Maya

From this ...

When bob was making back  
 he forgot to light the stove  
 and his dad didn't see  
 the stove so his dad  
 was frustrated to see this  
 so he jumped off a  
 cliff and died when bob  
 got back home he was sad  
 that his dad had died  
 because of his mistake
