# Edmund Waller WEEKLY NEWSLETTER

12th July 2024

## Ambition

High expectations for all ensuring equitable access to the curriculum and other opportunities within school.

### Aiming High

This week sees us exploring the last of the three Edmund Waller values - Creativity, Humanity & **Ambition!** We have long held a reputation as a creative school, with strong arts and music provision. As the raft of concerts and performances that have taken place over the last couple of weeks testify, this is still very much the case. However, in the ten years (gulp) I have been here, we have not always been able to strike the balance between being creative, and ensuring that academic outcomes are as aspirational and ambitious for the all the children here as they possibly could be.

Therefore we are delighted to be able to share with you [this year's statutory assessment data](#) for the key statutory areas measured during:

- Reception - Good Level of Development (GLD)
- Year 1 - Phonics Screening
- Year 4 - Multiplication Tables Check (MTC)
- Year 6 - Key Stage 2 SATs

[Have a look](#) for yourselves - we are very pleased to be above national outcomes in every measured area.

Today, you will also have received a link to your child's end of year report - these also contain your child's teachers views on how your child has approached their learning, as well as assessment data for all areas of the curriculum.

This set of results, represents an improvement on last year's results across most areas. Our **ambition:** to sustain and maintain these excellent outcomes across the school - ensuring every child does the best they can, without sacrificing our creativity (or humanity!)

### Sports Day

There was no doubting Ms Lepere's **ambition** for this week's Y1 - Y6 sports day, held at Goldsmiths University. We just about got away with the weather and the whole thing was incredibly well attended and super organised. The children showed great sporting spirit and took part in all activities with conviction and grace. We wanted to thank all families who came along to cheer (and some even raced!), the PTA for providing refreshments. We also wanted to publicly thank Ms Lepere for doing such a sterling job with the organisation of a very successful day. Special mention also to Rae & Agatha (Y6) whose cake sale raised £55, which they have very generously donated to support Year 6's upcoming end of year production.

Parents and families enjoying the sports day!

### Take One Picture

In, what will hope, will be a dazzling display of both **ambition** and **creativity** - we look forward to welcoming you all to this afternoon's Take One Picture exhibition. Its looking amazing and we can't wait for you to see the work. We have work from every Year group from Nursery - Y6. We are open from 3:45 - 5:30pm. Have a [quick look here](#) to remind yourselves of the order we are hoping you will go around the exhibition in. There will be also be a PTA run bar and a performance from the Y2/Y3 choir - what a lovely way to end the week!

Y2 grabbing a brief period of sunshine for their picnic!
