

Edmund Waller Key Stage Results 2024

If you thought 22/23 results were good - here come this year's. We are incredibly proud of our children's results (again) this year and thought we would share the headlines with the community. Below you will see the school's results for all the statutory data points mapped out against the performance of children across the country. We are very pleased to say that in **every** measured area we are **above** the national levels of attainment.

In the first table, you will see the key results from Reception - Good Level of Development (GLD), Year 1 - Phonics Test and the Multiplication Tables Check (MTC), taken at the end of Year 4. Great results from across the school. Well done team!
