### Adding three addends

For each story below, can you fill out a tens frame and draw a part-part-part whole to show the three addends?

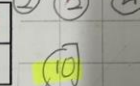

Tom has 3 red marbles, 2 blue marbles and 2 green marbles. How many marbles are there altogether?

Kim has 2 red marbles, 2 blue marbles and 4 green marbles. How many marbles does she have altogether?

Jim has 5 red marbles, 1 blue marble and 4 green marbles. How many marbles does he have altogether?

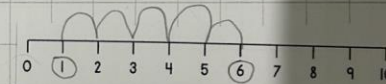

Rex has 4 red marbles, 2 blue marbles and 2 green marbles. How many marbles does he have altogether?

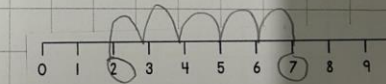

Can you show each story below on a number line?

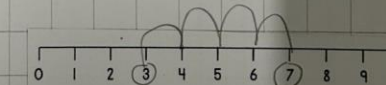

First, there was 1 child sitting on the bus. Then 3 more got on. Then, 2 more got on. How many children are now on the bus?

First there were 2 leaves on the plant. Then 2 more leaves grew. Then 3 more leaves grew. How many leaves are now on the plant?

First there were 3 children at the park. Then 1 more child came, and then 3 more children came. How many children are now in the park?

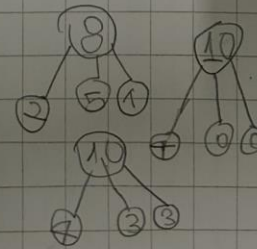

Can you draw a part-part-part whole to represent these number sentences?

$$2 + 5 + 1 = 8$$

$$10 = 3 + 3 + 4$$

$$4 + 0 + 6 = 10$$

Little red riding hood  
loved to read

One day her mum  
said this book is long  
overdue take it back  
now

Red set off and then  
a wolf jump in  
grunt of her and said  
why dont you read

the wolf charge off  
to the library.

Red rushed to the  
library Red she opened  
the door come in the wolf  
said.

Red looked at the wolf  
with a bit of a  
frown. now can I help  
the wolf said what is  
that bad smell.

Why the wolf read  
his smock of now im  
ready to eat

You cant eat her up  
story always end up  
like this.

Autumn is here

Her eyes are amber, a smile of apple lips across her lips

Her hair, a pecan curl fluttering among the trees,

Her throne woven with satin and made with flaming sunsets.

Megan Coyle's process 21.9.21

when Megan starts a new collage she follows a list of steps to make sure it is successful.

First, she collects the items that she needs and sketches the animal she is doing to follow the shapes of what the animal looks like.

Megan layers her big pieces.

She overlaps her smaller pieces to so ~~the~~ the pieces at the front (for the animal) to stand out more.
