Henry has been eating books because of boredom in class.

Henry has been going to the toilet for over 10 minutes.

The doctor has been confused, frustrated and worried. If I would be a doctor I would call Henry's medical condition book phagocytosis. Henry's teacher is worried because eating ink is dangerous.

Striding mindlessly into the sea, the Iron Man ~~embarked~~ ~~embarked~~ searched for his left ear. After a few minutes he got to a ~~very~~ very deep point of the sea, and still no ~~ear~~ ear. The Iron Man thought he was alone. The Iron Man wasn't right. Not far away, a boy named Hogarth was fishing in a stream that led to the ocean. He felt calm and ~~so~~ relaxed. Suddenly, Hogarth felt a strange and unusual ^{sensation} ~~feeling~~. He felt he was being watched. He felt nervous. Then, he saw ~~to~~ two green glowing lights. Now he felt petrified. His hair stood up higher than before. The two lights got bigger. He wondered what ~~were~~ two green lights ^{were} doing at the top of a cliff.
