Future Citizens, Right Now!

We are very proud to let you know that we have begun our journey towards becoming a UNICEF Rights Respecting school and have recently received the Bronze Award. This means that we are now a 'Rights Committed' school and will continue to develop the children's knowledge and understanding of the Convention on the Rights of the Child as we work towards obtaining our Silver Award - Rights Aware. If you would like to find out more about the award or the process, you can do so [here](#) or [here](#).

Thanks to Ms Winter, who, together with the Wellbeing Warriors, work together to ensure that the children feel safe, heard and seen during their time here at Edmund Waller. In the future our aim, as a school, is to be a Gold level accredited school. We have started this journey and will be writing more over the coming months about our progress towards the Silver Award.

Climate Champions - Sustainable Future

More forward thinking work from our Climate Champions, this week, as they came together to think about the impact humans have on their environment. As the cries of "drill, baby, drill" ring through the corridors of the White House, raising this kind of awareness has never been more

vital. The Climate Champs looked at the work of climate campaigner, Greta Thunberg. Thanks to Ms Lepere for coordinating her climate team.

Football Champions

It's not just Climate Champions we are producing here at Edmund Waller, we are producing sporting ones too! A HUGE well done to the Year 5 football team, who emerged victorious following last weekend's finals. The boys, who have worked hard all season, played amazingly on Saturday and were, without doubt, the rightful winners of the cup. Readers of the newsletter will see

that the Edmund Waller football teams have been on a roll this season. We are incredibly proud of all the children who have played and represented the school. Of course, winning isn't everything... But, it's quite nice when it happens! None of this would be possible without the commitment and dedication of the school's football coaches - step up, Nathan Reid (a former EW student) and Dorson Sandiford. Well done teams and coaches!

RED NOSE DAY

Comic Relief

More thanks - this time to you, the community! The combination of ParentPay donations, red nose sales and on the gate collections means that Edmund Waller contributed a whopping £774.72 to this year's Comic Relief campaign.
