Edmund Waller WEEKLY NEWSLETTER

2nd May 2025

Callin' All Runners

In-School TCS Crew

As the crowds descended on London last weekend to take part in the TCS London Marathon, we were delighted to have 40 children from Edmund Waller taking part in the TCS Mini-Marathon, last Saturday. The children and their families had an amazing day, basking in the sunshine and soaking up the atmosphere. A nod of thanks to Jodi in the office for ensuring that we got the places and making sure everything was organised so fantastically. Thanks to the generosity of the Waller community we have already reached our fundraising target - but you can click on any of the pictures here to be whisked off to the PTA's JustGiving page.

Making sure that no-one feels left out, Ms Lepere has organised for all children to take part in the TCS Schools Mini Marathon. The majority of children in the school have run 2.6km around the school site over the course of this week.

This has been a fun and relaxed way for the children to feel part of the whole event. You can donate towards the renovation of the climbing frame area, either by adding to the Just Giving page or via the link that you will find in your child's ParentPay account.

Thanks to all the people involved in making these events happen!

Ambition

High expectations for all ensuring equitable access to the curriculum and other opportunities within school.

Callin' All Slurpers

It won't have escaped your notice but it's been a hot old week. What better way to end the week than with an ice-cream/lolly for the walk home this afternoon. That's right every child in the school will be given an ice-cream at the end of the day. These come from the parents and families of Year 6, who are raising funds for the various events planned to mark the end of their time here. If you would like to make a donation towards this cause - you can do so in a number of ways:

- Year 6 parents and children will be collecting donations on the gates at the end of the day
- You can use the SumUp link here (click on the poster to the left) to make a donation at any time.
- No cash on pick-up? No problem - use the QR code on the posters to make a hassle free donation from your phone

Callin' All Gardeners

Last week, we announced the departure of our good friend Dan Hudson from the school community. Dan is a very skilled man and we know that he will be incredibly difficult to replace. As we work on this, we are putting a call out to the community to see if there are any keen gardeners out there who would be interested in helping us maintain the school grounds. Initially, this would be on a voluntary basis but there is the potential to offer payment for that green-fingered hero/heroine out there. If you are interested in helping out, email me via hello@edmundwaller.lewisham.sch.uk and we can have a chat about how this might work.
