### This Year's Done! Year 6 Are Done!

We are seriously on the home straight now! We have just said goodbye to the children and adults who are leaving us this afternoon... The tears have already started flowing...

It's been another stormer of a year here at Edmund Waller. The last few weeks have been such an honour to be a part of - from the concert @ Goldsmiths, the Take One Picture exhibition, the sports days and the phenomenal PTA events. Every single invite has seen you turn out in force - your support is unwavering and comes without reserve... Our staff work incredibly hard

#### Ambition

High expectations for all ensuring equitable access to the curriculum and other opportunities within school.

for your children, from the premises team to the admin team, the teaching staff to the supporting adults - everyone throws themselves into whatever we ask of them, with enthusiasm and spirit. Their energy is unfaltering... However, please do not underestimate how crucial the community's support and love is in sustaining these energy levels.

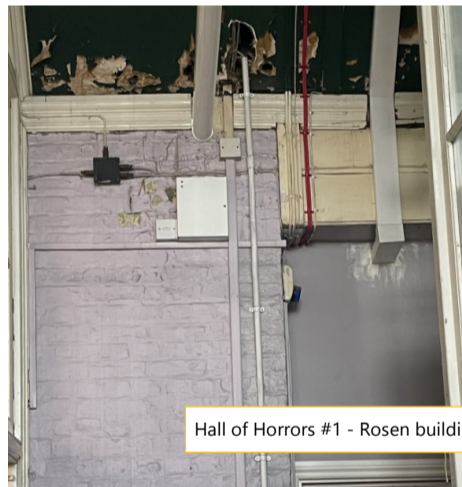

So, as we get ready to head off into the sunset, we wanted to make sure you all know what you mean to us - whether it's coming to the numerous concerts and exhibitions, bringing your tokens (and spending a fair bit of cash at the bars too) at everything the PTA throws at us - we truly appreciate the love you bring!

The last words are saved for our amazing Desert and Tundra classes. This year's Year 6 cohort have been such a credit to the school, to their teachers, their families and, of course, to themselves! Their performance of 'The Lion, The Witch & The Wardrobe' on Wednesday was jaw dropping. We wish them all the best for Year 7 and beyond... Make sure you come back and see us and let us know how you are doing!

### Wishing You All an Amazing Summer!

School closes today at 2pm - have a great break! We cannot wait to welcome you back on **Wednesday 3rd September**.  
Cheers Mr A

### A Summer Up a Ladder?

While the teaching staff head off for a well-earned break - the premises team are gearing up for their busiest summer yet. We are having the whole of Rosen building redecorated. This is something that has been top of the wish list for a while. See the photos to get an idea of how desperately it is needed. This represents the culmination of 4 years hard work to get our finances to the point we can contemplate getting this done. We are also having the older flooring replaced in Lloyd building & the surface around the climbing frame renewed! Good luck to Tom and Paul, who have a very busy 6 week period ahead.

### Waller Welcomes...

The top part of this newsletter was for the outgoing - the bottom part of is for the incoming. This Wednesday, we were delighted to welcome some new energy and new faces to the Waller roster - from left to right Ms Brady, Ms Kalitsi, Ms Anderson, Ms MCGahan, Ms Mehmet, Ms Marsh, Ms Bensadoun, Ms Morgan & Ms Thornton.
