

# All About Nursery

## Ocean Class

**In Nursery, Ocean Class, Michelle  
is our teacher!**

**Michelle likes running, riding her  
bike, yoga and hula hooping. She  
also really likes gardening and  
growing her own vegetables.**

**Gloria is our TA and she helps us too! She loves being at nursery and she is very kind.**

**Gloria loves walking, cooking and helping the children in nursery to learn.**

---

This is our classroom. We can play inside and outside almost all day long.

We have our own Nursery gate on Walsham Road.

We open the gate at 8:45am – 9:00am and for the afternoon children at 12:30pm.

Home time is at 3.25-3.30

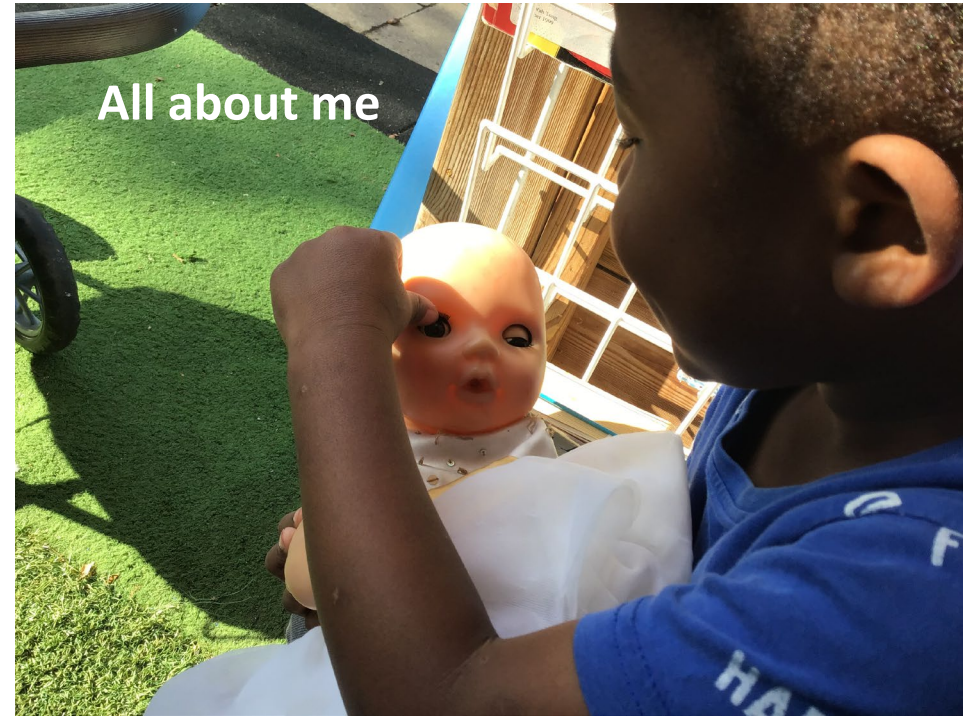

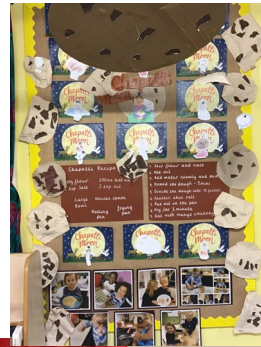

We have a lovely garden with lots of trees, climbing areas, and fun things to do. We are outside in all weathers, so we always need our wellies and wet weather gear.

At nursery everyone has a peg of their own where they hang their coats and bags. This is in the cloakroom

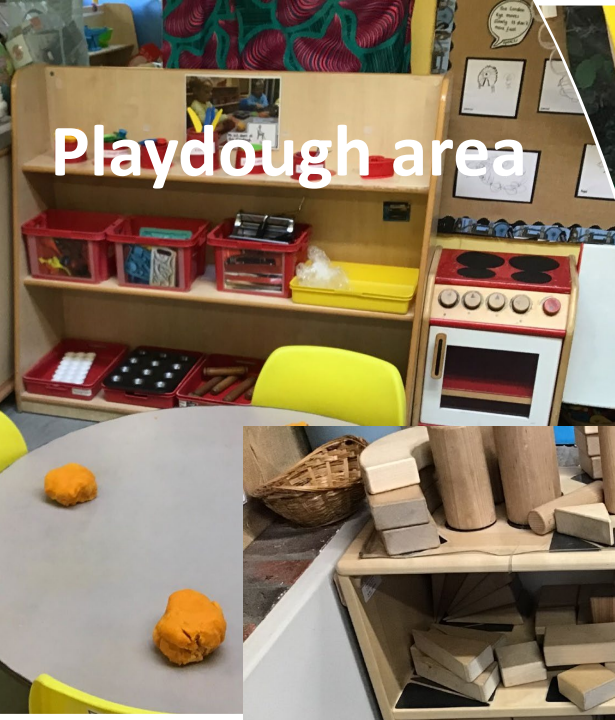

Over the year we will be covering lots of different topics and reading lots of different stories.

The Book corner in the quiet room

Playdough area

The Block area

Here are some of the other areas inside Ocean Class

Climbing  
area

The  
mud  
kitchen

Here are some of  
the other areas in  
the garden

Book corner

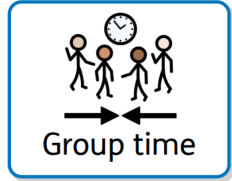

The sandpit

At the end of the session, we tidy up together.

We then come together in the quiet room to sing songs and share a story.

These are our school rules that we need to remember.

Be **Ready**

Stay **Safe**

Show **Respect**

These rules keep us safe and help us to have a good time at school.

Nursery is so  
much fun!
