

LGBTQ+ HISTORY MONTH

NO DISCRIMINATION

At Edmund Waller, everyone in our school community is important

Our school is a reflection of the world we live in

Today's assembly is all about LGBT history month

And as school council, we want to learn more about how we can help support your learning about this community.

Your suggestions are welcome!

We will be making sure everyone has this amazing poster showing diverse families

So many people from the LGBT community have made history and shared their knowledge

- Here are some of our favourite inspirational quotes:

IT'S JUST REALLY IMPORTANT
THAT WE START CELEBRATING
OUR DIFFERENCES.
LET'S START TOLERATING
FIRST, BUT THEN WE NEED
TO CELEBRATE OUR
DIFFERENCES.

BILLIE JEAN KING

LET US BE ENRAGED
ABOUT INJUSTICE, BUT
LET US NOT BE DESTROYED
BY IT.

BAYARD RUSTIN

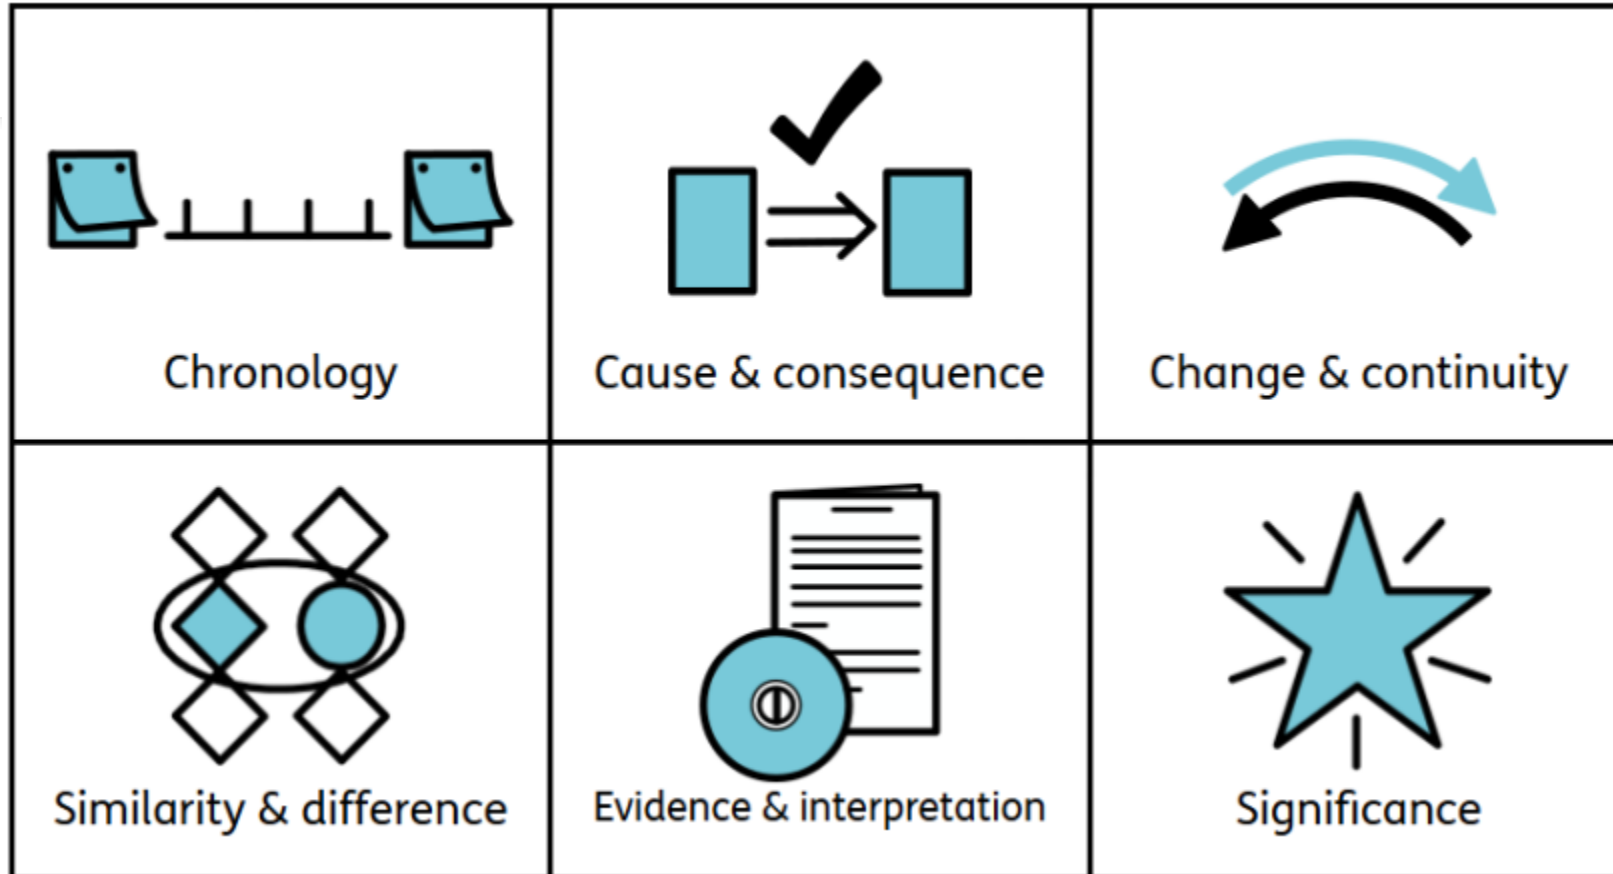

WE NEEDED SOMETHING
TO EXPRESS OUR JOY,
OUR BEAUTY, OUR POWER,
AND THE RAINBOW
DID THAT.

GILBERT BAKER

- [LGBT History Month: Why is so it important? - BBC Newsround](#)

We want to be excellent historians! What does a historian do?

Can we do these things properly if we leave some people out of history?

What happens when we leave people out of history?

Alan Turing was an English computer scientist, mathematician and codebreaker who is known as one of the founders of modern computing and an early **pioneer** in the world of **artificial intelligence**.

He is best known for his important role in cracking German codes during the Second World War.

The codebreaking operation, led by Alan Turing, is estimated to have shortened the Second World War by several years.

Codebreaking during World War Two - BBC Teach From 0:55
