Inuits in the Arctic

In a igloo it's not that warm so you need a coat to be in there and you also need boots if you don't get some snow in your boots you get your boots to get it so if your boots are not warm if you go to a igloo.

You will need boots if you're in the Arctic and you don't get your feet cold the boots are very warm.

A coat will keep you warm in the Arctic and you will need it if you're outside and it's a big coat it's good for the Arctic and they need these coats if it's very cold.

This is a sled and it's used in the Arctic and it's used to carry things and it's used to carry things.

This is a staff and it's used in the Arctic and it's used to kill things and it's used to kill things.

This is a house and it's used in the Arctic and it's used to live in and it's used to live in.

The Arctic 28.2.20

The Arctic is at the North Pole. Antarctica is at the South Pole. The Inuit live in the Arctic and they are very cold. They have a lot of snow and they have a lot of ice. They have a lot of snow and they have a lot of ice. They have a lot of snow and they have a lot of ice.

This child was chosen because of the enthusiastic attitude they have shown towards their learning in geography. They were very proud of all the facts they have learned.

A hand-drawn map of Europe with various countries shaded in different colors. Blue lines connect labels to specific countries on the map. The labels include: Ireland, Dublin; England, London; France, Paris; Spain, Madrid; Germany, Frankfurt Berlin; Rome, Italy; Poland, Warsaw; Netherlands, Amsterdam; Sweden, Stockholm; and Norway, Oslo. There is also a small drawing of Iceland to the west of the main map.

These children were chosen because of their co-operative and collaborative approach to their learning. Both presented their learning neatly and worked hard to locate capital cities in an atlas.

27.2.26
The wind whooshed as powerfully
as a dart as the ship frantically shook
and ~~struck~~ the waves ~~it~~ ~~wooshed~~.
King Mirob and his daughter,
and he greeted the Athenians at the
harbour. You will die in the blink of
an eye he said Kearingly. The
Athenians, where in for a surprise
they stood still with their mouths
open.

This child was extremely proud of their writing and felt that they had chosen their words carefully, especially when writing similes.
