### Autumn Term – The Water Cycle

#### Class Admin

PE:  
Tuesdays

Please read with  
your child every  
day for  
20 minutes.

DoodleMaths  
and  
DoodleTables  
passwords have  
been sent home  
– 10 min per  
day.

#### Autumn Half Term

Monday 26<sup>th</sup> –  
Friday 31<sup>st</sup>  
October 2020

#### Welcome back , Year 5!

This term we will be learning about our class biomes, which link with our science topic of the water cycle.

Throughout the topic, in Science, we will be learning about the environment, the animals that inhabit the biomes and how the water cycle affects our daily lives. We will also study the journey of a river and how important rivers are to us.

In Art lessons, we will be developing our observational skills by drawing seashells and fish in both pencil and pastels.

#### English

This term we will be reading 'This Morning I Met a Whale' by Michael Morpurgo. We will be studying Morpurgo's ability to describe settings and character's feelings, applying what we learn when we write our own stories about animals from our biome. We will also develop our ability to spell well by learning a range of spelling rules and vocabulary that is linked to our topic.

#### Maths

This term we will be learning about; place value, addition & subtraction, statistics, multiplication & division and measurement. We will develop our knowledge of how to apply what we learn within real life contexts. These will include using money and reading times and timetables.

#### Meet the Year 5 Staff Estuary Class

Teacher: Mr Jackson

Support Staff: Miss Rogations

#### Marine Class

Teacher: Ms Winter

Support Staff: Mrs Emin

#### Coral Class

Teacher: Ms Case
