Primary School

What is Waller?

In order to continue developing as a school, we have been looking at the principles and values that we hold dear and that shape the school we want to be.

As part of this we have consulted all stakeholders. This includes, all staff at the school, parents and carers and members of the wider school community. We have used the feedback and ideas from this exercise to identify three core values: humanity, creativity and ambition.

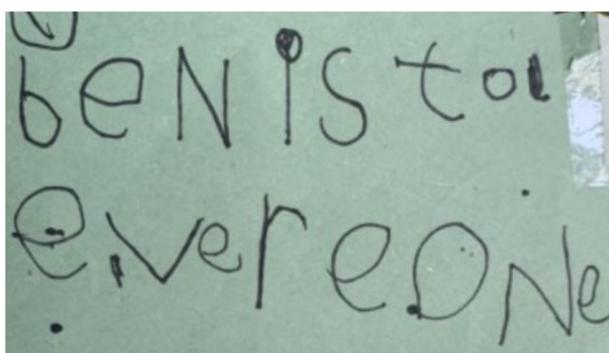

These three keystones are what we intend to build our aims and ambitions on as we move forwards.

Humanity

Creativity

Ambition

In the new academic year, we will share more about the vision and aims of the school as well as unveiling a new logo - exciting! This work is crucial to the evolution of the school into a forward looking educational setting that prepares our children for the opportunities, and challenges, of the 21st century.

A child's response, when asked about how we should be at school "be nice to everyone" - who could argue with such a sentiment?

Last week's attendance figures:

Class	% of children in school on time
Reception	99%
Year 1	95%
Year 2	96%
Year 3	95%
Year 4	97%
Year 5	96%
Year 6	98%

Reports and New Teachers

We are rapidly heading towards the end of the academic year and the children are starting to think about the new school year. Today you will have received your child's end of year report. Please take a moment to complete the online form, sent out this week by email, to confirm you have the report.

On Monday, we will be writing to all parents informing you of next year's teachers, with all children having the opportunity to meet their new teacher on **Wednesday 14th July**.

Restrictions Remain

As we come to the end of Covid related restrictions in the wider world, we have been advised by Lewisham to keep **all** restrictions in place for the remainder of this academic year. There are currently more coronavirus cases within Lewisham schools than at the height of the pandemic. Many local schools have had to close bubbles and we are very keen to avoid this for our children, families and staff.

Year 6 Opera

As the finishing touches are being added to the Y6 Opera, we are pleased to announce that tickets will be available to purchase from the cinema next week. The screening will take place on **Tuesday 20th July @ 7pm**. Click on the image above for more information about the cinema.

Divas and Dancers!

Last night, the playground was transformed into a dance floor as the Year 6 children arrived to party the (early) evening away as part of them getting ready to say goodbye and head off to secondary school at the end of this term. The evening was really nice and the children all enjoyed the opportunity to spend some time together. A big thank you to the parent volunteers who organised the event - Jo, Natasha, Julie and Ros. A extra special thank you to Tim the DJ for keeping the music flowing!
