Classes
Weekly Remote Learning

Week beginning 23 April 2021

English

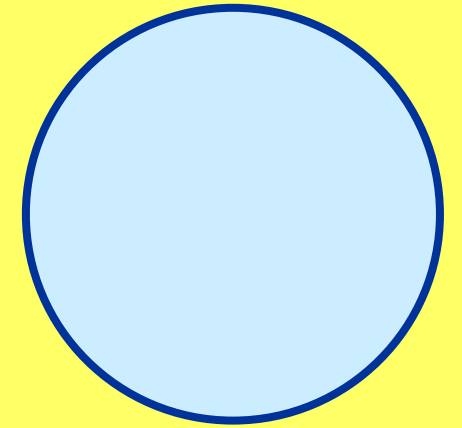

In English we are reading '*The Town Mouse and the Country Mouse.*' This tells the tale of what happens when Toby Town Mouse and his country cousin Pipin visit each other's homes. You can listen to a version of the story by clicking on the picture of the front cover.

Look at these two pictures from the story and compare the differences between the country dinner table and the town dinner table. Please write some sentences to describe them, remembering to start each sentence with a capital letter and end with a full stop. You may also like to draw and write about your favourite foods.

Maths

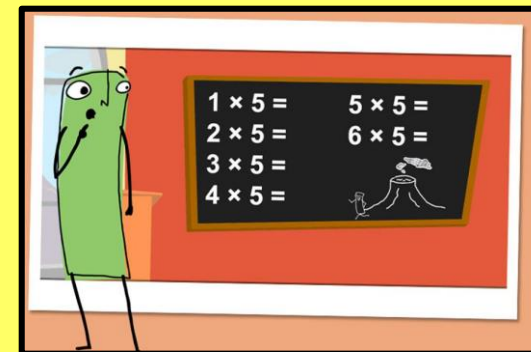

This week we are learning about place value. Click on the White Rose picture to learn about place value.

Remember to keep practicing your times tables! Click on the picture below to sing a song and do some activities to help you remember your 5x table.

Then click on the workbook to answer some questions.

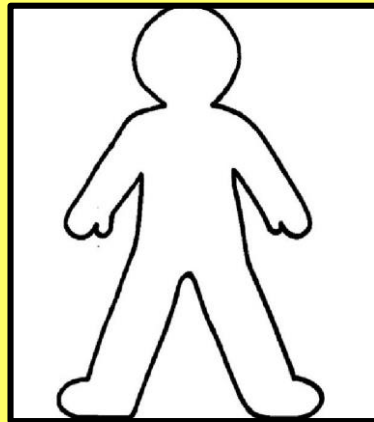

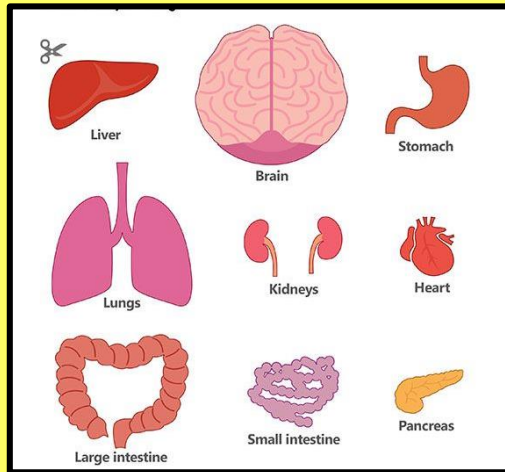

You can also keep practicing your times tables on doodle tables.

Topic - Science/PSHE

What are the organs of the human body?
Draw an outline of a human body and label the organs inside. What job does each organ do?

Watch the videos below to help you.

Topic - Geography

Think about the area you live in.
What is the name of your local area? Where is this place and which other places are near it?
Draw a map of your route to school. Include the buildings, green spaces and roads that you see on the way.
