

Year 3

Remote Learning

Friday 7th May 2021

Spelling

This week, we'll be recapping the many spellings of the /or/ sound that we have explored so far.

or aw au ore augh our ar oor oar

Can you think of at least two words with each of these /or/ sound spellings?

Can you think of any examples where some of these spellings make a different sound?

Can you think of any /or/ sound homophones?

Topic

We're going to develop our understanding of 'Dig for Victory' by learning about 'Anderson/Air-raid shelters' which were used during World War Two. We'll be finding out about why people built Anderson shelters, what they looked like and how they kept people safe during air raids.

Maths

In our maths lessons this week we will continue our learning of reasoning about the location of a 3-digit number in the linear number system. We will use unmarked number lines and explore different methods of estimating the location of numbers on different scales.

1 litre

English

In our English learning this week, we will continue to develop our descriptive writing, focusing specifically on alliteration, using 'The Lion, the Witch and the Wardrobe' by C.S. Lewis as our stimulus.

Your task!

Don't forget to log on to Teams and complete this week's science assignment.
