

Year 5 Home Learning

Due in Thursday 20th May 2021

Spelling

In our spelling lessons next week, we are learning to spell words that contain the /ow/ sound. This can be spelled 'ow', 'ou' or 'ough'.

Please learn how to spell the words below and write them in sentences to show that you know their meanings. Challenge yourself to learn how to spell as many additional words that are linked to these as you can.

aloud	eyebrow
amount	plough
downstairs	sound
drought	sunflowers

Maths

The teachers have been checking the DoodleMaths and DoodleTables website and it is still clear that no-one is going on every day. Let's make use of this wonderful tool and prepare to do battle for the bananaiest (?) trophy of all time!

English

Next week we will be starting to look at poetry and will be creating our own poetry based around the book, 'Escape from Pompeii.' The language of poetry tends to be more expressive or artistic, with comparisons, rhyme, and rhythm contributing to a different sound and feel than other writing.

Do some more research on Pompeii and make a list of the words that you think will be useful for creating a poem about the day of the eruption in preparation for next week.

History

As part of our history curriculum, you have all been given copies of a knowledge organiser about the Roman invasion of Britain. The organiser holds all of the key dates, words and information that are important to learning this half term.

The organiser will need to be studied closely as there is a quiz to complete online! Click the mosaic picture here to be taken straight to the quiz!
