

## Reception Activities

Tuesday, 21<sup>st</sup> July

Good morning Reception,

Happy Tuesday! Today is the last day of the school year, and what a year it has been! You started in school in September 2019, which seems like **such a long time ago** now. You have changed and grown so much! Can you remember your first day of school? Maybe you took a photo as you came into school- could you have a look at it and see how much you have changed?

None of us will forget your first official school year and **how superbly** you overcame a world pandemic! You should all be **so proud** of yourselves with how well you have dealt with it all. We are incredibly proud of you and we are so excited to know you are now going to start Year 1 with Ms Burns and Ms Lepere! Make sure you give us a wave whenever you see us and stay curious and excited for learning!

**Remember to keep reading over the holidays and writing whenever you get the chance**- we don't want you to forget all those amazing sounds over the summer!

**Thank you so much** for the wonderful cards, gifts and messages of support. We know it has been difficult for everyone the past 4 months and it wouldn't have been possible to overcome this challenge without your continued support.

**We will really miss you** and wish we could have finished the term together. We are looking forward to seeing you in September, as giant year 1 children. We can't wait to hear all about your adventures over the past few months!

Please remember that today is the last day you can collect your school report- they will not be posted out to parents as the postal service is still overwhelmed and has been unreliable.

Have a wonderful holiday and a well-deserved rest- both children **and** parents!

**Mrs. Shaw and Ms. Leniz**

You can continue to access **Doodle Maths** and **Bug Club** throughout the summer.

Keep logging in! Remember to **let us know if you have problems with either websites**.

Please don't miss out on the opportunity of doing this daily. 10 minutes a day should do!

### Activity 1

Goodness gracious! What a concert! That was the best concert we've ever EVER watched, don't you think?

If you didn't manage to watch it last night then you can still access the link on the Music homepage on the website.

Congratulations to you all!

What did you like best? Was it a song in particular? Was it the acknowledgement messages Ms Boxall got for all her hard work and dedication to the school? We would like to hear from you!

*Perhaps you could write a message to Mr. Barrett to tell him what amazing work he did by putting all the singing together into one big concert! (It took A LOT of work for this to happen!)*

How could you do this? Well, as usual, you could do this in any form or shape you prefer! You could:

- Write a letter to Mr. Barrett
- Make a drawing Mr. Barrett and write a card to go with it
- Re-write the lyrics of the song you liked the most
- Share what you liked most about this online singing project

Reception Distance Learning Gallery

All your reviews will be displayed on the Reception Distance Learning Gallery for everyone to enjoy.

Just remember to follow these guidelines if you want your work to be displayed on the website.

- email work to "homelearning@edmundwaller.lewisham.sch.uk"
- Where possible try to take your photos as 'landscape', not 'portrait'.
- Send J-pegs only pls – pdfs, powerpoints and videos will not display at the moment (we are working on this).
- Make sure there is nothing that would tell others where you live, or shows anything you don't want seen in the photos.
- We would like to see as much work as you would like to share. However, we will only display a selection. So, if there is one piece you are particularly keen on then signpost it or send separately.
