Dear Nursery Parents/Carers,

We are pleased to announce that the Nursery team have put together individual 'Distance Learning Packs'. These packs contain ideas for activities at to do at home during the period that school remains closed. They also contain some resources to support the activities.

These packs are available for collection from school - please call in during school hours to collect (we will be open over the Easter holidays). Should you have any difficulty collecting a pack, please contact the school and we will try to arrange an alternative.

Thanks

The Nursery Team
